## Are you looking for a really rewarding volunteering experience? Could you inspire a child to read? Do you want to help your local community?

Beanstalk is a national charity that recruits, trains and supports volunteers who provide one-to-one support in primary schools to children who have fallen behind with their reading. We are looking for volunteers who are passionate about children developing the essential skills they need to grow up and lead successful lives.

We believe life is better when everyone can read well and express themselves with confidence. Sadly, last year over 63,000 children left primary school unable to read to the expected level.

Beanstalk trained reading helpers work with children on a one-to-one basis, giving them consistent support to improve reading levels, increase overall confidence and help them gain the vital literacy skills they need to succeed in life. Each Beanstalk trained reading helper works with three children and sees each child for two 30 minute sessions a week, during term-time, for a whole year.

Together, they read, play and talk. With Beanstalk's support the child's approach to learning and enjoying reading is often transformed. Beanstalk recruit volunteers from the local community that would like to invest their time and support back into local primary school. Our volunteers support local children that may not get enough regular encouragement and support, a better chance to "read, grow and succeed".

In February 2015 we published our Annual Review and Impact Report which showed that 93% of Beanstalk supported children made improvements in their reading ability. Our trained reading helpers also told us that 98% would recommend becoming a reading helper to other people and 64% felt more included and part of their community.

Sally Floyer, trained reading helper shared "seeing the change in the children I support is one of the most rewarding things I've done and it's a pleasure to be involved. I'd encourage anyone who has the time to apply"

For more information on the work we do or to apply online visit [www.beanstalkcharity.org.uk](http://www.beanstalkcharity.org.uk) or call 020 7729 4087

Starring John Partridge, Hayley Tamaddon and Sam Bailey, Chicago (Opera 21 March – 2 April) is the sexy, sassy show that features classics like All That Jazz and Razzle Dazzle, and tells the unforgettable tale of Roxie Hart, Velma Kelly and their lawyer Billy Flynn.

The last month has been a very busy one, making sure that everything was in place for the North West Counties League ground grading.

Not only the physical work being carried out around the ground, ready for the ground grading visit by members of the North West Counties and the Manchester League, but also the clerical side of things.

Making sure documentation is in place to progress, extension to planning for floodlights, club accounts and other documents were needed to support our application.

I must say all the efforts were worthwhile and the visit went very well. We now have to wait with baited breath to see the outcome.

It will be great to re-join the NW counties having been a founder member when it was formed in 1982, only to drop out in 1986 due to ground grading issues.

Well hopefully this is the start of all things good, putting Prestwich Heys back on the semi-pro map.

We are in this for the long haul and not just to make up the numbers, it has and will be a long journey, that may get bumpy at times, we are getting enquiries on a weekly basis from would be sponsors and players from far afield wanting to try us out.

Like the heady days of success in the club's history, picture the scene Saturday 21st February 1970 Prestwich Heys on the road, in the FA Amateur Cup 4th round.

Facing Enfield FC, just two games from playing at Wembley in the final, alas it was not to be Heys days, we were beaten 2-0, Enfield went on to win the trophy beating Dagenham 5-0.

FA Cup 73-74 and 78-79 second qualifying round, lots of great history which we want to emulate.

Other things that are happening and forming the club for the future is the formation of an under 18s and under 21s.

It is very exciting and in its infancy, who knows where it will take us. So don't watch from afar come down get involved watch from the touchline, be part of the journey.

Be part of the history, something to tell your children and grandchildren.

Neil Gilmore, Chairman.

On the field Heys have been knocked off top spot in the Manchester league premier Davison for the first time this season following a 4-1 defeat to new leaders Royton Town.

The Oldham side have a three-point lead but Heys do still have 3 games in hand. Heys have been forced to switch their home games to Eccles College due to the ongoing rains but have chalked up some impressive results with 7-1 and 6-1 league wins respectively over Atherton Town and Manchester Gregorians.

A semi-final spot in the Gilgryst Cup has also been booked with a 4-0 win over Old Alts giving Heys a last four trip to Stockport Georgians on Good Friday.
